

A note from Nicola,

Eating is a serious matter in Italy, and our Head Chef has helped create Rucola's award-winning menus to reflect the very best of traditional and contemporary Italian cuisine. From classic, freshly-made pasta, to delectable fresh fish and succulent meat - all of our mouth-watering dishes are made with the finest ingredients sourced from specialist suppliers.

Looking for something a bit different? We have daily specials, just ask our dedicated team of Chefs and Staff. We will be happy, if possible to alter any dish, even perhaps cook it at your table and where possible cater for special dietary requirements or special requests.

An Experience Heightened with Fine Wine

They say the best things in life come to those who wait, and we believe that to be true. Take for example our comprehensive wine list which we also have thoughtfully and carefully selected to accompany your chosen or favorite dish.

The Winning Formula

We think that the secret of our success is that we are striving to achieve a perfect marriage of serving fine food and wine, discerning service, and amazing value, but as the old saying goes: the proof of the pudding is in the eating. In a recent survey of our customers, an impressive percentage strongly agreed that the produce was fresh and of the best quality and that our committed team are friendly and helpful; and that we have created an invigorating atmosphere which provides an excellent venue to celebrate those special and important occasions.

The restaurant is available to hire for functions. We are happy to cater for any sized party, for weddings, birthdays, anniversaries, funerals or even for your workplace celebration. We can offer either an à la Carte menu or a set menu that can be individually tailored to suit your personal requirements.

Ciao

Nicola
